1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest first chopper stabilization modulator connected to the input ports, a second chopper stabilizer modulator connected to the output ports, an input circuit for receiving a reference voltage and an input voltage and for supplying the reference voltage and the input voltage in alternation to the input ports of the operational amplifier while bypassing the first chopper stabilization modulator and an output circuit for receiving an output voltage from the output ports of the operational amplifier while bypassing the second chopper stabilization modulator as called for in claim 1. Therefore, claims 1-12 are presently allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan T. Lam whose telephone number is 571-272-1744. The examiner can normally be reached on Monday to Friday (7:30 am to 6:00pm).
